## Message from Sussex County

As part of the Interim Sewer Operations and Transition Agreement between the Town of Bridgeville and Sussex County, Sussex County has been assessing non-residential properties for Equivalent Dwelling Units (EDUs). You may have already seen or met some Sussex County employees during this process, as they inspect the interior and exterior of properties to verify sewer assessment information. If you prefer a scheduled appointment, please call (302) 855-7719. Please note that all Sussex County employees will have appropriate identification and operate clearly marked County vehicles. We currently expect the transition to take place in late Spring 2021, and to be completed no later than June.
